Caroline Barty : Easy as Apple Pie before purchasing it in order to gage whether or not it would be worth my time, and all praised Easy as Apple Pie:

In addition to Mom's apple pie, here are recipes for chocolate and pecan pie, cranberry pie, strawberry and rhubarb lattice tart, and many more, 45 recipes in all. This book's duotone photos provide a nostalgic look at mid-twentieth-century America, and the recipes are for pies that are simply old-fashioned delicious. The photos focus appropriately enough around the kitchen range and dining room table--and if Mom and Dad seem a bit too formally dressed for dinner at home, we should recall that it was the way middle American households were depicted in ads and magazine features, circa 1950. The recipes for pies are easy for today's home cooks to follow, and are guaranteed to produce mouth-watering results. Many are complemented with food-related anecdotes. Here's a trip down memory lane, as well as inspiration for tasty desserts you can serve today.

Idquo;Seeming pre-wrapped, with their silver covers, and retro design, yoursquo;ll want both of these delightful mini-cookbooks [Piece Of Cake and Easy As Apple Pie], not just for your mom, but for your mother-in-law, your sister and your dear old auntie! hellip; How much information can fit into one of these cuties? Well, these pack a wallop! hellip; Another thing I like about these books are the easy-to-read steps, and every once in awhile, a good quotehellip;

Whether you're interested in a fun new baking book or two, or want to find the perfect gift for mom, these little cookbooks are games. —Laurie Strock, *Cookbook Digest*, June 2004

For a short retro romp with rolling pin in hand, all you need is Caroline Barty's *Easy as Apple Pie*. Vintage 1950s photos enhance the retro feel and recall the days before microwaves and instant everything. —Bookpage, May 2004

For a nostalgic look at the art of old-fashioned cooking, this little book has a lot to offer. The vintage photos from the 1950s reflect an era that was as American as apple pie. The author tries to get homemakers away from the microwave and back to traditional ways of preparing comfort foods. —Country Almanac, October / December 2004

Forget the convenience food and microwave meals. It's time to get back to basics and remember just how easy and enjoyable it is to bake your own delicious pies! With over 40 tantalizing recipes to inspire you, treat your family and friends to some real home cooking with these mouth-watering pies, tarts, crumbles, and strudels. There's no better example of a nation's food than its signature pie dish: from the classic American apple pie to the British fruit crumble, from the French tarte Tatin to the Austrian Linzertorte—and this book has them all. So shake the dust off the rolling pin and get baking because it really is as *Easy as Apple Pie!*

front flap What could smell as delicious and comforting as a luscious home-made apple pie baking in the oven? A perfect pie is the ultimate comfort food. Pies evoke memories of the wholesome food our grandmothers used to make, but they also deserve a place on the modern dinner table as delicious and exquisite dinner party desserts. These irresistible recipes are accompanied by vintage photographs from the 1950s that recall the days of home baking. Authentic images from baking contests, country fairs and harvests sit alongside humorous quotations and interesting excerpts about the traditions and festivities associated with America's most famous food festivals. With simple step-by-step instructions and helpful tips on handling pastry, baking blind, and the best pastry methods, all you need is a bit of confidence and practice and you'll soon be baking your own perfect pies.
