**Barb Asselin : Easy as Pie: Delicious Homemade Pie Recipes Your Family Will Love** before purchasing it in order to gage whether or not it would be worth my time, and all praised Easy as Pie: Delicious Homemade Pie Recipes Your Family Will Love:

3 of 3 people found the following review helpful. pie recipesBy Jbarr5Easy as Pie: Delicious Homemade Pie Recipes Your Family Will LoveThis book also includes a free ebook of other treats.Starts out with a very basic recipe that

includes all kinds of tips and hints along the way to make the perfect pie shell. Lots of pictures along the way via the steps and other pie crusts, graham cracker and chocolate ones. Like the idea of making a bunch of them and putting them in the freezer—before cooking them so you can take one out in the morning to cook later that afternoon. Also comes with toppings that you can make yourself. No nutritional information. Recipes for 11 fruit pies and also a section on cream pies. 4 of 4 people found the following review helpful. Meet Your Pie Baking Coach, Barb Asselin! By ? S. Trasny Barb Asselin's crash course in pie baking is a thoughtful, well developed format that will give you confidence via great instructions to make any number of pies. Little tips that separate great bakers from good bakers will help give you an edge. Ice water, for instance, is a bakers secret for flakey pie crusts and this book explains how to incorporate it correctly. Learn the basics of the different filling types and you will be well on the way to knowing how to create your own amazing pies. All in all, a solid, clearly written book by someone who's been making some pies. 0 of 0 people found the following review helpful. Great little cookbook including of pics of the recipes By marriagecoach1 Great little cookbooks explaining and demystifying pie making. There are only a couple of dozen recipes but they are all including a pic of the pie for illustration (the lack of which is a huge complaint about most Kindle cookbooks). There is no nutritional info or low cal versions but that is a more minor complaint. I love her tip for making pies using ice cold water and explaining how to do it. So the lack of nutritional info and the small number of recipes is the only reason that I gave it 4 stars instead of 5. I am going to check out her internet marketing books because I too have a book on entitled: Sex Education for Adults Secrets to Amazing Sex and Happily Ever After Too

Do you love the idea of a homemade pie, but think they are too hard to make? Do you have the best of intentions to cook great meals with a delicious dessert, but the time just gets away from you? Are you intimidated by the idea of baking pies because you think hellip; bull; Pie crusts are too hard to make bull; Your pie crusts are never flaky bull; Your pie filling never sets properly bull; Pies take too much time to bake Then, this book is for you.
