Love this book!By Mary GurneyOriginally purchased as a gift last month but when I saw the variety of recipes (not just pie pops as the name implies) I bought one for myself. Really good bread recipes. I've tried the blueberry bread recipe already and its very moist and flavorful.I have the beer bread recipe targeted for Super Bowl and the heart shaped pie pops planned for Valentines Day. Can't wait to try more of the berry recipes with fresh berries from my garden.0 of 0 people found the following review helpful. not good not badBy kathyit give recipes but I already donated this to the library.1 of 1 people found the following review helpful.
